Osler's top-ranked Intellectual Property team is renowned for its deep bench strength, featuring excellence in IP litigation; a stellar record in blockbuster patent and trade-mark prosecution; expertise in portfolio advising and management; and unmatched experience in helping realize the value of IP portfolios in mergers, reorganizations and other business transactions.

The team has a well-earned international reputation for excellence in Canadian IP litigation, including cross-border matters, built on our winning trial record representing some of the world's most prominent companies and innovators in resolving their ground-breaking patent, copyright and trade-mark disputes in Canada.

Proven expertise, superior service

Clients initially come to us for our deep legal knowledge, counsel and scientific and technical expertise; they then repeatedly recommend us to others because we offer

- **client service** that is unmatched for its quality, responsiveness and accessibility
 - meticulous and efficient **project management**
 - **business experience** amassed from the years our core team members spent working in the corporate environment, which enhances our ability to provide practical, efficient advice
 - long-standing and continuing investments in **IP technology**, enabling us to respond accurately and rapidly to clients on all questions related to ongoing or historical matters
- Osler's Intellectual Property professionals offer proven expertise and superior service for clients of all sizes across a broad range of industries, including pharmaceuticals, biotech, technology, life sciences, electronics, aeronautics, consumer products, sports and entertainment, food services, and mechanical, chemical and software engineering.

We can assist with

- **litigation matters** related to copyright, trade-mark, patent, trade secrets and PM(NOC), including ADR, arbitration and appeals
- **patent, copyright and trade-mark prosecution matters**, including applications, patent

portfolio management, transactions involving IP, and licensing and other commercial services

- **Copyright and trade-mark matters**, including anti-counterfeiting, anti-piracy, domain name litigation and UDRPs, and false advertising
