.....

Chris is a JD candidate at the University of Toronto Faculty of Law. While in law school, he has worked as an associate editor for the *University of Toronto Faculty of Law Review*. He also volunteers as part of the AI Safety & Liability Working Group for The Future of Law Lab, where he researches potential legal frameworks for future AI regulation.

Prior to law school, Chris earned a Bachelor of Commerce from the University of Manitoba. Outside of law, he has a background in traditional Scottish music and has competed at the World Pipe Band Championships on multiple occasions.
