Osler Works – Transactional

Natalie, an Operations and Project Analyst, is a member of Osler Works – Transactional. Natalie plays a critical role in the operations and practice management of the team.

She provides support to the practice as well as clients with respect to project management, business development initiatives, and business operations activities. Osler Works – Transactional, our in-house ALSP for transactions, focuses on providing high quality work at a lower price by combining our team's expert knowledge of complex transactions with cutting-edge processes and technologies that improve efficiencies and offer a host of business advantages.

Osler Works – Transactional collaborates with other members of the firm to deliver services to clients, such as contract analysis and review (including due diligence), agreement generation and negotiation, closings, document automation, and compliance and entity management.
